

REMARKS

Claims 11 and 52 were found on appeal to be allowable over the cited art, and are herewith presented in independent form. Claim 11 now incorporates the limitations of base claim 1 and intervening claims 2 and 3. Claim 52 now incorporates the limitations of base claim 44 and intervening claims 45 and 46.

Though not permitted of right, Applicant requests that cancelled claims 4, 5, 7, 8, 10, 12, 13, 48, 49, 51, 53 and 54, here re-presented, be entered and allowed as well, depending as they do now from allowed claims 11 and 52; no searching will be required, and Applicant will be spared the expense and delay of either RCE or Reissue proceedings to get suitable dependent claims into the case.

Applicant believes it has responded fully to all of the Examiner's concerns. If the Examiner has further concerns, Applicant requests a call to Patrick Dwyer at (206) 550-4049.

Respectfully submitted,

PATRICK MICHAEL DWYER
